

FULTON COUNTY TRIBUNE.

County Auditor 1-1-19

VOL. XXXVII NO. 18

WAUSEON, OHIO, FRIDAY, AUGUST 6, 1920

\$1.50 PER YEAR

COUNTY EDUCATIONAL COST

Proposed Cost of the Various Schools of Fulton County for the Coming School Year. Will Raise Tax Rates to at Least 18.5 Mills.

The following abstract covers the proposed costs of the various schools as submitted by the local school boards. In six districts, Chesterfield, Centralized, Fulton Centralized, Delta, Archbold, Fayette and Metamora, an election will be held on August 10, 1920 for the purpose of raising a 2 mill levy for a period of 5 years, outside of the present 15 mill limitation. This means that the tax in these districts, in all probability, will be at least 18.5 mills. Under the column headed "Proposed Vote" it gives the approximate additional amount that will be available each year if the election carries. The report also gives the amount raised by direct taxation in 1919, and the proposed increase in 1920. Chesterfield and Fulton Centralized, Metamora and Lyons Consolidated Schools shows a greater increase in the proposed cost.

DELTA BANK ROBBERY DEVELOPMENTS

On Monday of this week Sheriff McQuinn was summoned by the Police Department of Toledo to that city on a Saturday night bank robbery. Gorchuch had at least three aliases last of which is O'Malley. Sheriff McQuinn had the man in the county jail awaiting identification. At midnight Tuesday night Sheriff McQuinn secured a phone message from Captain Buck of the Toledo Detective force stating that a Cadillac car containing six men had left the city for Wauseon, the sheriff called for help and within ten minutes the guard at the jail was increased from three to six. The sheriff was ready to receive visitors but the visitors failed to appear.

Wednesday morning Mr. George Whitehorn and Miss Candace Haley of Delta came to Wauseon for the purpose of identifying the prisoner. Mr. Whitehorn who had not seen any of the robbers who worked inside the bank could not identify Gorchuch as one of the robbers whom he had seen outside the bank at the time of the robbery. Miss Haley picked Gorchuch out of a number of others as one of the men who were in the bank at the time the robbery occurred and while she could not be absolutely positive she thought he was the man who ordered her to take her foot off the alarm button.

There was not enough evidence against the men to warrant holding them and prosecutor Canfield ordered his return to the Toledo authorities.

A SUNDAY FAMILY GATHERING

Mr. L. L. Hagerman was made happy on a recent Sunday when four of his children and ten grandchildren gathered with him at the home of Mr. and Mrs. Ross Shaffer; needless to say Mr. Hagerman and all present thoroughly enjoyed the day.

TWO BIG MEETS FEATURE STATE FAIR

With the date of closing set for August 15th over 100 men from 16 High Schools of the State have already sent in their entries for the State Fair Track Meet. This list comprised some of the best known athletes in the State and forecasts keen competition. The Amateur Meet however, open to the older men is still in the making. Many of the large Amateur organizations have signified their intention of entering but few have done so.

Over \$800 worth of medals, cups and watches will be given away, by far the greatest array of prizes ever offered in a non-professional meet.

Entry blanks and information can be secured by writing to W. D. Griffith, Mr. State Fair Track Meet, care of Board of Agriculture, Columbus.

In addition to the two cinder carnivals, the National Association of Casting Clubs will hold their annual tournament from September 2nd to 5th inclusive under the auspices of the Columbus Casting Club.

A field of at least 225 entries is expected, reservations have been received from 100.

Entry blanks and information can be secured by writing to W. D. Griffith, Mr. State Fair Track Meet, care of Board of Agriculture, Columbus.

One of the most interesting feature of the Chautauqua will be the lecture "A Diplomat at Large" by Sir John Foster Fraser a man who has traveled in more than fifty foreign countries.

Augustus Karns, the advance man for the Chautauqua is in the city doing the advertising and assisting the Local Committee in getting everything ready for the opening day.

GOVERNOR WILLIS

Former Governor Frank B. Willis addressed a fair sized audience at the Court house in Wauseon last Friday evening. Mr. Willis spent some time in Wauseon Friday afternoon and Saturday forenoon conferring with some of his friends.

Mr. Willis showed signs of the strenuous campaigning in which he has been engaged during the last few weeks, on Friday evening, but in spite of the handicap of a bad throat he gave a most excellent address.

Outlining the dominant issues of the 1920 campaign and referring to his own candidacy for United States Senator.

Mr. Willis emphasized and endorsed the policy of party government to which the presidential campaign had committed as opposed to the high minded, dictatorial, one man policy that he characterized the present administration.

He spoke of three great problems that confront the country at this time namely Federalism, Socialism and the Foreign policy. The Democratic party said Mr. Willis cannot solve any of these that is not their business; the Democrats create problems; their incompetence brought about these problems and it follows that they cannot solve them.

In Mr. Willis' opinion the problems mentioned met "must" be met and solved or they will dissolve the country.

Mr. Willis was accompanied by Senator George E. Kryder and Mr. George Stewer.

BUILDING UP... REACHING OUT

Mr. L. S. Williams is establishing a record among Wauseon business men for business extension. We remember that he started in the restaurant business in the Warring building, rather close quarters, but he made it work and soon outgrew the room next he took over the Girich restaurant, remodeled and transformed it and again he made it work, the next stage in the extension of his business was to take over from Mr. Gingrich the entire building and transform the upper story into a neat, clean and attractive hotel.

Now that the Williams Restaurant and the Williams Hotel are moving along in good working order with a "capacity business," "Lee" has reached out for more worlds to conquer and has taken over the management of the Lincoln Hotel.

Mr. Williams is serving regular meals "a la carte" and is serving a very good dinner and conducting a restaurant.

The new venture has been a success in a very short time and is proving very successful and satisfactory.

Wauseon was defeated by the Morenci team at Morenci Sunday by a score of 8-3. Wauseon made all of their scores in the third inning and were unable to get a man past 3rd after that.

Loose playing by the home team lost the game. Every time a Wauseon player hit it was right into the hands of a Morenci player.

Score:
0 0 3 0 0 0 0 0 0 3
0 0 2 0 0 4 0 0 3
Next Sunday the fast Adrian team will come here for a second game with the local team. This should prove to be a fast game as Wauseon defeated the Adrian bunch a few weeks ago by a score of 1-0. Turn out and give the boys a hand.

FARMERS PICNIC
The Farm Bureau and Granges of Northwestern Ohio will hold a big Rally and Picnic on the Fair Grounds at Montpelier, Ohio, Saturday Aug. 14, 1920.

Mr. DePew, head director of The Ohio Farm Bureau Federation and L. J. Taber, Master of Ohio State Grange will speak.

Every farmer in Northwestern Ohio is urged to take a day off, bring his family and enjoy the day. Remember the date and come. August 14, 1920.

ENDS HIS OWN LIFE
Roy Curtis 25, formerly associated with his father in the furnace and tinning business in Wauseon shot and killed himself at his home in Toledo last Saturday. Despondency caused by continued poor health which prevented his working as assigned as the motive. He leaves a wife and two children.

HAS INSTALLED MODERN EQUIPMENT

Mr. Walter W. Caddell, manager of the Princess Theatre has installed a new attachment on his picture machine known as the Argus Shemph projector, manufactured by the General Electric Company.

This new attachment does away with the old carbon light system, producing a clear white light making the picture more steady and eliminating eye strain.

About three years of experiment has brought this machine to perfection. It is a wonderful improvement and Mr. Caddell is to be congratulated as it shows he is wide awake to the interests of his business. Patrons are cordially invited to inspect the operation of this new work and see this new apparatus work.
